Prekindergarten -- 10th Grade

THE KINKAID SUMMER SCHOOL

The Kinkaid Summer School offers a variety of programs for Prekindergarten through 12th grade. The course descriptions explain the major emphasis and requirements for each course. We offer students both enrichment and remedial courses taught by Kinkaid faculty, other qualified teachers, and visiting artists.

Four-week academic courses run from June 3rd - June 28th. Morning Learning Camp (entering grades PreK -1st) is offered as a two week program. Many of our special Art and Academic Enrichment Camps and Sports Camps are offered on a weekly basis. Consult the brochure for specific dates and times.

Academic credit is awarded only at the discretion of a student's regular school. Minimum attendance requirements must be met to receive recommendation for credit. Students who are absent are unlikely to receive the session's recommendation for credit. Students who are seeking academic credit for summer courses *should get approval from their regular school prior to the start of summer classes*. When they are requested, reports will be sent to a student's regular school.

Administrative Staff

Karen Metclaf, Director of Summer Courses and Camps

Athletic Director: Curt Brooks curt.brooks@kinkaid.org

Director of Learning Camp: Byron Williams byron.williams@kinkaid.org

REGISTER FOR KINKAID SUMMER SCHOOL ONLINE AT:
www.kinkaid.org

***All Registration is done online* and BEGINS MARCH 22nd at 9:00 a.m.**

OPEN HOUSE AND ON-CAMPUS REGISTRATION:

Saturday, June 1st (12 noon - 2:00 p.m.) ** $20 Late registration fee applies per child.*

Payment accepted by Credit Card & Online Check/ Electronic Funds Transfer

*** Late registration fee applied after midnight, May 24th - $20 per Child**

The Kinkaid School admits students of any race, color, national, and ethnic origin to all rights, privileges, programs, and activities generally accorded and made available to students at the school.

Kinkaid reserves the right to cancel classes due to low enrollment.

LEARNING CAMP

FOR CHILDREN ENTERING
PRE-KINDERGARTEN THROUGH 1ST GRADE
(AGES 4 TO 6 YEARS OLD)

8:30 a.m. to 11:30 a.m.

(CHOOSE ONE SESSION ONLY)

Session I: June 3 - 14 **COST: $500**

Session II: June 17 - 28 **COST: $500**

Make summer learning fun for your youngster with a half day of arts and academics. The morning curriculum is developmentally appropriate, emphasizes creativity, and includes a rotation of hands-on activities. Literacy and math readiness, Spanish, visual arts, creative drama, and mindful movement will strengthen campers' minds and stretch their imaginations! Special programs and guest artists are brought to the school for enrichment--from the traveling zoo to in-class theatrical performances. Once your child is enrolled, you will receive information (via the email address you provide when registering) with daily schedules, dress suggestions, and other helpful information.

Campers MUST be 4 years old prior to June 3rd.

LEARNING CAMP: SESSION I

(8:30 a.m. - 11:30 a.m.)
100A Session I JUNE 3 - 14

For entering pre-kindergarten through 1st grade.
Be certain to indicate the grade your child will be entering in the fall on the registration form.
Cost: $500

LEARNING CAMP: SESSION II

(8:30 a.m. - 11:30 a.m.)
100B Session II JUNE 17 - 28

For entering pre-kindergarten through 1st grade.
Be certain to indicate the grade your child will be entering in the fall on the registration form.
Cost: $500

FOUR-WEEK MORNING ACADEMIC PROGRAM

JUNE 3rd - JUNE 28th **COST: $430 PER COURSE**

FOR STUDENTS ENTERING 2ND GRADE

8:30-9:45 a.m.	9:55-11:10 a.m.	11:20 a.m.-12:30 p.m.
102A Math Basics	102B Language Experiences	102C Speaking and Listening Skills

Students in morning academics (that end at 12:30) who register for afternoon courses (that begin at 1pm) should *bring their lunches* to the Lower School Big Room from 12:30 to 1:00 p.m.

Academic credit is awarded only at the discretion of a student's regular school. Minimum attendance requirements must be met to receive recommendation for credit. Students who are absent are unlikely to receive the session's recommendation for credit. Students seeking academic credit for summer courses *should get approval from their regular school prior to the start of summer classes*. When they are requested, reports will be sent to a student's regular school. **Kinkaid reserves the right to cancel classes due to low enrollment.

102A MATH BASICS (8:30-9:45 a.m.)

Review and jump-start 2nd grade math basics with fun activities designed to secure the fundamentals: addition and subtraction, place value, time, money, and number sequencing. Includes individualized student evaluation and narrative at end of course.
Instructor: **Allison Sherman**

102B LANGUAGE EXPERIENCES (9:55-11:10 a.m.)

A traditional classroom setting with innovative, hands-on projects designed to promote and enhance reading and writing skills while encouraging creative thinking. Children will discover the many facets of language through exploring both fiction and nonfiction literature, weekly themes and fun projects that include art, puppet retelling, author studies, and creative writing. Includes individualized student evaluation and narrative at end of course.
Instructor: **Allison Sherman**

102C SPEAKING AND LISTENING SKILLS (11:20-12:30 p.m.)

Through dramatic play and vocal exercises, children learn to be better communicators. From everyday dialogue to recitation of poems and nursery rhymes, children learn to articulate their own thoughts as well as appreciate the commentary of others through careful and thoughtful listening.
Instructor: **Allison Sherman**

FOUR-WEEK MORNING ACADEMIC PROGRAM

JUNE 3rd - JUNE 28th **COST: $430 PER COURSE**

FOR STUDENTS ENTERING GRADES 3 & 4

8:30-9:45 a.m.	9:55-11:10 a.m.	11:20 a.m.-12:30 p.m.
103A Grade 3 Math Workshop	103B Grade 3 Reading	103C Grade 3 Writing Workshop
104A Grade 4 Enriching Math	104B Grade 4 Literature	104C Grade 4 Writing Workshop
	134B No Problem! 3/4	134C Grade 3/4 No Problem!

103A THIRD GRADE MATH WORKSHOP: BACK TO THE BASICS (8:30 – 9:45 a.m.)

The goal of this workshop is to help students bone up on basic math skills and strengthen their ability to solve word problems. Students' strengths and weaknesses will be identified before extending the basic skills, operations, computations, and strategies needed to form a stronger math foundation. All four operations and facts will be reviewed and strengthened in a fun, creative, and stress-free manner. This course deals with the nuts and bolts of math; however, we will also practice solving higher-level thinking and logic problems to stimulate and challenge young minds. Students will finish the workshop more confident in their own mathematical ability. This math class is for students entering 3rd grade who need to work on their basic skills and confidence.
Instructor: **CeCelia O'Connell**

104A FOURTH GRADE MATH ENRICHMENT & THINKING CRITICALLY (8:30 – 9:45 a.m.)
Bolster your math skills and learn to think critically! Children's mathematical abilities will grow as they respond to activities and create math projects. Students will become active learners with engaging experiences that reinforce and extend skills and concepts. This class will focus on continued development with understanding and fluency in mathematics by analyzing, reasoning, modeling, and communicating knowledge. We will also work on activities to develop skills in critical listening, following oral directions, and memory. Sharpen math and thinking skills in an innovative approach. This course is designed for students entering 4th grade or those who need to revisit or sharpen 4th grade math skills.
Instructor: **Becca Hobbs**

103B READING STRATEGIES FOR 3rd GRADERS (9:55 - 11:10 a.m.)
Boost your reading comprehension using numerous high-interest nonfiction and fiction sources. We will focus on using reading tools and strategies to improve comprehension. This course will include activities that help students keep track of their thinking, monitor their understanding, and use their background knowledge to connect the new to the known. Students will learn to ask questions to clarify unfamiliar ideas and discover new information. Opportunities will be given for students to read independently, as well as with their book club discussing the elements of their book while fostering a love for reading.
Instructor: **CeCelia O'Connell**

134B PROBLEM? NO PROBLEM! GRADES 3 & 4 (9:55 – 11:10 a.m.)
Have you ever participated in an escape room? The clock is ticking away and you haven't solved the mystery. What do you do? That's just one of the activities we will be working on in our summer problem solving class. We will be doing different hands on activities, not *just* math problems. Sign up for this course to better learn and use strategies, logic, clues, and creative play to solve all kinds of problems. Discover how to be prepared when you meet a roadblock. We will use our mindsets to solve challenging puzzles, games, STEM activities, and yes, even some math problems!
Instructor: **Lisa Curry**

104B GRADE 4 LITERATURE WORKSHOP: DEEPENING COMPREHENSION THROUGH GENRE STUDIES (9:55 - 11:10 a.m.)

This workshop is for students who are interested in expanding their literature experiences and deepening their comprehension through the components of a balanced literacy workshop. The class will be introduced to a myriad of genres. Students will be given the opportunity to talk and write about their reading using reading strategies and skills. Students will select their favorite books to explore in further depth, and will engage in book clubs to heighten their understanding of story elements and deepen their level of comprehension. Key comprehension strategies such as inferring, questioning, making meaningful connections, visualizing, and determining importance will be the context for becoming a more purposeful and strategic reader. Come celebrate reading! This course is designed for students entering 4th grade or those who need to revisit or sharpen 4th grade reading skills.

Instructor: **Becca Hobbs**

103C 3RD GRADE WRITING WORKSHOP WITH TECHNOLOGY (11:20 a.m. -12:30)

Students will navigate online resources to create digital stories and research projects. This class is designed to explore the various tools of technology so students can start conversations with one another, find answers, raise awareness, and share information in a creative and entertaining way. This class will also incorporate the Writing Workshop components such as brainstorming, developing, editing, revising, and publishing with a technological twist. In the past, students have used resources such as iMovies, Glogster, Canva, and Powtoons. We will provide students with rich opportunities to collaborate with peers and open the door to sharing their work with a bigger audience. They will become active writers by using technology to research, explore, create, and share using iPads and Apple computers. In the 21st century, the technological world is constantly being updated and new platforms released, so who knows where your writing will take you this summer!! Join **CeCelia O'Connell** for new adventures in writing with technology.

104C 4TH GRADE WRITING WORKSHOP WITH TECHNOLOGY (11:20 a.m. - 12:30 p.m.)

Students will navigate online resources to create digital stories and research projects. This class is designed to explore the various tools of technology so students can start conversations with one another, find answers, raise awareness, and share information in a creative and entertaining way. This class will also incorporate the Writing Workshop components such as brainstorming, developing, editing, revising, and publishing with a technological twist. In the past, students have used resources such as iMovies, Glogster, Canva, and Powtoons. We will provide students with rich opportunities to collaborate with peers and open the door to sharing their work with a bigger audience. They will become active writers by using technology to research, explore, create, and share using iPads and Apple computers. In the 21st century, the technological world is constantly being updated and new platforms released, so who knows where your writing will take you this summer!! Join **Becca Hobbs** for new adventures in writing with technology.

134C PROBLEM? NO PROBLEM! Grades 3 & 4 (11:20 a.m. - 12:30 p.m.)

Have you ever participated in an escape room? The clock is ticking away and you haven't solved the mystery. What do you do? That's just one of the activities we will be working on in our summer problem solving class. We will be doing different hands on activities not *just* math problems. Instructor: **Lisa Curry**

LOWER SCHOOL AFTERNOON CAMPS

FOR CHILDREN ENTERING 1ST - 4TH GRADE

Students enrolled in morning academic courses ending at 12:30 p.m. will *bring their lunches* to the Lower School Big Room from 12:30-1:00 p.m.

LUNCH WITH A MOVIE

Grades 1 - 8

105A WEEK I: JUNE 3 - 7 **(11:00 a.m. - 1:00 p.m.)**
106B WEEK II: JUNE 10- 14
107C WEEK III: JUNE 17- 21
108D WEEK IV: JUNE 24 -28

If your morning class or camp ends before 12:30 p.m., Lunch with a Movie is a perfect place for you! Lunch with a movie is for students that have a time gap in between their morning class ending at 11:00 a.m. or 11:30 a.m. and their afternoon class starting at 1:00 p.m. Students will be provided a clean, safe, and supervised place to eat their **lunch from home**. At 12:50, students will be escorted to the 1:00 p.m. class in which they are registered. ***Students bring their own lunch.*** **Movies will be rated G or PG.**

Instructor: **Carol Baumgarth** COST: $80 per week

MATH IN ART **(1:00 - 2:15 p.m.)** **Grades 1 - 4**
110A WEEK I: JUNE 3 - 7
110B WEEK II: JUNE 10 - 14

This class is for young artists who need additional practice with math skills. Strengthen addition, subtraction, measuring, multiplication, and division skills while creating amazing art projects and learning about famous artists! (Math skills will be differentiated depending on age of learners). Lots of fun and a great way to get academic skill enrichment while being creative!
Taught by Mrs. Taylor, Kinkaid Lower School art teacher, who has had previous experience as a classroom teacher.

Instructor: **Lauren Taylor** COST: $200 includes materials

THE SCIENCE OF ART **(2:30 - 3:45 p.m.)** **Grades 1 - 4**
112A WEEK I : JUNE 3 - 7
112B WEEK II: JUNE 10 - 14

This class is for artists who love science experiments! Students will learn how to create imagery and sculpture using scientific concepts, with an emphasis on STEAM (Science Technology Engineering Art and Math). Projects include a rainbow volcano, viscosity paint pours, pendulum art, ceramic experiments and glass fusing. Fun for the creative budding scientist!

Instructor: **Lauren Taylor** COST: $200 includes materials

FASHION DESIGN : Project "Funway" **(1:00 - 2:15 p.m.)** **Grades 1 - 4**
113C WEEK III : JUNE 17 - 21
113D WEEK IV: JUNE 24 - 28

If you love designing clothes, accessories, and shoes, you'll love Project Funway! This class presents design challenges just like those on the popular show Project Runway. Come with your design skills and be ready for a creative challenge! Sewing skills and 3D printing will be emphasized. Instructor: **Lauren Taylor** COST: $200 includes materials

WORDS & ART **(2:30 - 3:45 p.m.)** **Grades 1 - 4**
114C WEEK III : JUNE 17 - 21
114D WEEK IV: JUNE 24 - 28

This class is for young artists who need additional practice with language arts skills. Strengthen writing and reading skills while creating amazing art projects and learning about famous artists! (Skills will be differentiated depending on age of learners). Lots of fun and a great way to get academic skill enrichment while being creative! Taught by Mrs. Taylor, Kinkaid Lower School art teacher, who has had previous experience as a classroom teacher. Instructor: **Lauren Taylor** COST: $200 includes materials

GAMES, GAMES, GAMES! **(1:00 - 2:15 p.m.)** **Grades 2 - 4**
115A WEEK I : JUNE 3 - 7
Do you love to play table games? If so, this is the week for you! Come play - Tenzi, Chutes & Ladders, Bananagrams, and Rummikub just to name a few. Explore new games along with old favorites and maybe create your own. Students learn perseverance, cooperation, communication, and follow-through while playing board games. Let's play!
Instructors: **Kaylan Caballero and Elizabeth Holloway** COST: $180

MAD SCIENCE **(2:30 - 3:45 p.m.)** **Grades 2 - 4**
116A WEEK I : JUNE 3 - 7
Calling All Mad Scientists! Come join the science lab and let's have some fun! You will do hands on experiments of all kinds. We'll make Ice Cream and Silly Putty and learn what makes Popcorn pop! That is just to name a few. You will have a great time creating and testing slimes and goo. Each day will be filled with new and exciting experiments! Come perfect your Mad Scientist skills. Beware of explosions!
Instructors: **Kaylan Caballero and Elizabeth Holloway** COST: $180

SPY CAMP **(1:00 - 2:15 p.m.)** **Grades 2 - 4**
117B WEEK II : JUNE 10 - 14
Calling all spies and secret agents! Students will investigate fingerprints, explore writing in invisible ink, and learn how to crack the secret code. They build spy periscopes and marshmallow shooters and make their way through secret missions. This will combine lab experiments with a bit of detective discovery. Maximum 14 students.
Instructors: **Kaylan Caballero and Elizabeth Holloway** COST : $180

COOKING UP SOME FUN: Kid friendly fare **(2:30 - 3:45 p.m.)** **Grades 2 - 4**
118B WEEK II : JUNE 10 - 14
Do you like to make snacks, help with dinner, or bake treats? If so, this is the camp for you! We will be whipping up all kinds of tasty things together and making a recipe folder so you can impress your family and friends with your talents.
Instructors: **Kaylan Caballero and Elizabeth Holloway** COST : $180

CRAFTY CREATORS **(1:00 - 2:15 p.m.)** **Grades 2 - 4**
119C WEEK III: JUNE 17 - 21
Calling all creative kids! Get your creative juices flowing using a wide variety of resources to create fun crafts, make soap, slime, ninja stress balls, and more. Join us and you will see your imaginations come to life in your creations.
Instructors: **Kaylan Caballero and Elizabeth Holloway** COST : $180

BRAINY BUILDERS **(2:30 - 3:45 p.m.)** **Grades 2 - 4**
120C WEEK III: JUNE 17 - 21
Do you like to build things that roll, move, and fly? Join us to create catapults, marble mazes, "bots", Lego cars, and more! Become a builder, engineer, and maker as you design simple machines and gadgets and vehicles. Get ready to blast off to fun.
Instructors: **Kaylan Caballero and Elizabeth Holloway** COST : $180

PEACE, LOVE and SUMMERTIME **(1:00 - 2:15 p.m.)** **Grades 2 - 4**
121D WEEK IV: JUNE 24 - 28
Summertime is the perfect season to relax and do some things you don't have time for during the school year. Join us to create some fun and loveable summer crafts that will keep you cool and busy during the lazy days of summer. While some of our activities will be planned, there will be a chance for participants to brainstorm possible project ideas.
Instructors: **Kaylan Caballero and Elizabeth Holloway** COST : $180

COOKING UP SOME FUN - all thing sweet! **(2:30 - 3:45 p.m.)** **Grades 2-4**
122D WEEK IV: JUNE 24 - 28
Do you like to bake or make sweet treats? If so, this is the camp for you! We will be whipping up divine DESSERTS together and making a recipe folder so you can impress your family and friends with your culinary talents. Maximum 14 students.
Instructors: **Kaylan Caballero and Elizabeth Holloway** COST : $180

LEGO ROBOTICS: Animals Alive **(1:00 p.m. -2:15 p.m.)** **Grades 2 - 4**
135B WEEK II: JUNE 10 - 14
Do you like to build creatures with Legos? Would you like to learn to code and program those creatures and bring them to life? We'll explore and build with Lego WeDo as we take our animals bots through coding challenges, fun explorations, and design activities. Fun required.

Instructors: **Krissy Venosdale & Jillian Cox** COST: $180

LIVE: Produce a Youtube News Show **(2:30 p.m. - 3:45 p.m.)** **Grades 3 - 4**
136B WEEK II: JUNE 10 - 14
Do you want to experience the fun of producing a LIVE news program? We'll write scripts, create stories, conduct interviews, use fun props, experiment with green screen technology and special effects, and go LIVE to our private YouTube Channel so you can watch your broadcast. Participants will experience a variety of roles including directing, reporting, camera operator, anchor, and sound engineer.

Instructors: **Krissy Venosdale & Jillian Cox** COST: $180

CARDBOARD CITY **(1:00 p.m. - 2:15 p.m.)** **Grades 2 - 4**
138C WEEK III: JUNE 17 - 21
Do you like to design and create? In Cardboard City, we'll explore simple architecture, learn the basics of cardboard design, and BUILD a miniature city. Students will even take pictures of the city and use Green Screen technology to put themselves in the miniature city.
Instructors: **Krissy Venosdale & Jillian Cox** COST: $180

LEGO ROBOTICS: Battle of the Bots **(2:30 p.m. - 3:45 p.m.)** **Grades 2 - 4**
137C WEEK III: JUNE 17 - 21
Do you like Lego challenges? This is the class for you! We'll design robots to complete tasks and work through challenges on our skills mat. Get ready to rumble, roll, and race your bots, learn some coding and problem solving skills, and have fun along the way.
Instructors: **Krissy Venosdale & Jillian Cox** COST: $180

MINECRAFT MANIA **(1:00 – 2:15 p.m.)** **Grades 2 - 4**
123A WEEK I: JUNE 3 - 7
123C WEEK III: JUNE 17 - 21
Come join your friends as we explore the world of Minecraft in the safety and solitude of a Kinkaid-hosted server. The worlds will include creative, adventure, free-build, survival, and more. Creativity, cooperation, and communication will be key components of each activity as we explore the amazing world of Minecraft.
Instructor: **Jeff Diedrich** COST: $180

MAKE YOUR OWN VIDEO GAME (1:00 – 2:15 p.m.) Grades: 2 - 4
124B WEEK II: JUNE 10 – 14
124D WEEK IV: JUNE 24 - 28

Do you love playing video games? Do you want to create one? Join your friends for a week-long introduction to Scratch programming that will give you the skills to create your own video games. Plan, predict, analyze, identify issues, seek solutions, and solve problems as you use blocks of code to build scripts to control characters and backgrounds on the computer. Afterwards, you'll be able to share your game with the world! You don't need any experience with Scratch to enroll in this camp.
Instructor: **Jeff Diedrich** COST: $180

SURFACE DESIGN (1:00 - 2:15 p.m.) Grades 1 - 4
139A WEEK I: JUNE 3 - 7
139B WEEK II : JUNE 10 - 14

This class is perfect for those who enjoy doodling and admire eye-catching patterns. Students will learn about repeating a motif to create a fun and personalized pattern. Students will create different things that come to mind using fruit and vegetable stamps and paintbrushes for add-ons. Students will experiment with a variety of color on neutral-colored paper and fabric to make a personalized design. Students will apply to paper making a roll of gift wrap perfect for gifting. They will apply to fabric which they can then sew into pouches perfect for organizing.
Instructor: **Monica Wallace** COST: $200 includes materials

WEAVING and POM-POM MAKING (2:30 - 3:45 p.m.) Grades 1 - 4
140A WEEK I: JUNE 3 - 7
140B WEEK II: JUNE 10 - 14

Students will make a bag that is both cute and very useful. Students will learn a weaving technique with cotton twine to create a string bag. We'll be making our own pom-poms out of fuzzy yarn to decorate. The weaving technique is similar to finger knitting so also expect some fun and soft garland or jewelry. This class is perfect for those hands-on artists who will be excited about the functionality that follows this fun project.
Instructor: **Monica Wallace** COST: $200 includes materials

MUSICAL THEATER CAMP (1:00-3:45 p.m.) Grades 1 - 8
150A WEEK I - II: JUNE 3 – 14 (two weeks)

Let's put on a show! Musical Theater Camp will give kids a chance to sing, dance, act, and shine in a summer showcase highlighting their talents. Offered one time, the two weeks will be packed with music, movement, storytelling, and friend-making. The session will end with a showcase performance for family and friends that will leave everyone tapping their toes with a song in their hearts. Campers will work together to make their own minimal set and costume pieces to enhance their performance in Kinkaid's Edwards Black Box Theater. Taught by Kinkaid MS Drama teacher **Katie Long** and US Children's Theatre teacher **Frances Limoncelli**.

COST: $470

STRING ORCHESTRA - BEGINNER Grades 3 - 8
255A WEEK I: JUNE 3 - JUNE 7 (1:00 - 2:15 p.m.)
255B WEEK II: JUNE 10 - JUNE 14 (1:00 - 2:15 p.m.)

Designed for students with no experience or up to 6 months of experience on their own instrument. Beginner string orchestra camp will introduce fundamentals like posture, instrument position, bow hold, learning to read notes, and fingerings on the string. By the end, they will be playing songs. Parents can look forward to a performance on the last day of class. Instruments must be provided by the attendee.

Instructor: **Medea Guldedava** COST: $180

STRING ORCHESTRA - INTERMEDIATE **Grades 3 - 8**
256A WEEK I: JUNE 3 - 7 (2:30 - 3:45 p.m.)
256B WEEK II: JUNE 10 - 14 (2:30 - 3:45 p.m.)
Designed for students with experience one year or more playing an instrument. We will learn to play chamber and orchestra music. We will address individual and group playing skills. We will work on playing technique and ensemble. Parents can look forward to a performance on the last day of class.

Instructor: **Medea Guldedava** COST: $180

AFTERNOON TOUCH KEYBOARDING **Grades: 3- 8**
125A WEEK I : JUNE 3 - JUNE 7 (1:00 - 2:15 p.m.)
126A WEEK I: JUNE 3 - JUNE 7 (2:30 - 3:45 p.m.)
Learn to touch keyboard or simply improve your skills and accuracy in this 5-day class. Accurate keyboarding is faster than handwriting and definitely faster than hunt-and-peck! Based on the alphabet, the system of keyboarding taught offers a simple approach that teaches correct finger placement and builds automaticity. Whether used for writing projects or email, this introductory, easy-to-learn method helps increase accuracy, speed, confidence, and keyboarding success!
Instructor: **Christina Bell** COST: $200 includes materials

CALLIGRAPHY **(2:30 p.m. – 3:45 p.m.)** **Grades 2 - 4**
160A WEEK I: JUNE 3 - 7
Come learn the *Art of Calligraphy*. The word calligraphy comes from two Greek words stuck together- kallos, meaning "beauty," and graphein, meaning "to write" — literally "**beautiful writing**." Students will get an intro to practice and learn the artistic technique with a basic alphabet as well as develop a respect for good penmanship. *(Students who take Calligraphy I will be eligible to take the Stationery Box class, to put their Calligraphy skills to the test.)*
Instructor: **Carol Baumgarth** COST: $180

STATIONERY BOX **(2:30 p.m. - 3:45 p.m.)** **Grades 2 - 4**
161B WEEK II: JUNE 10 - 14
Create and design your own seasonal stationery while using your Calligraphy Skills that were learned in Calligraphy *(requirement: must have taken Calligraphy)*. Students will take home their stationery box filled with their creative stationery designs.
Instructor: **Carol Baumgarth** COST: $180

SCIENCE DISCOVERIES! **Grades 2 – 4**
128C WEEK III: JUNE 17 – 21 (1:00 – 2:15 p.m.)
129C WEEK III: JUNE 17 – 21 (2:30 – 3:45 p.m.)
Be prepared to be amazed! Join Mrs. Shiverick for a variety of exciting science experiments using common household objects. Experiment with the absorbing property of baby diapers, make a Mentos volcano, and explore the mystery of magnetism! Each day we will have new discoveries! Just remember that being messy is allowed!
Instructor: **Mrs. Shiverick** Cost: $180

MIDDLE SCHOOL ACADEMICS

FOUR-WEEK MORNING ACADEMIC PROGRAM
JUNE 3rd- 28th COST: $430 Per Course
FOR STUDENTS ENTERING 5TH THROUGH 8TH GRADE

8:30 a.m. - 9:45 a.m.	9:55 a.m. - 11:10 a.m	11:20 a.m. - 12:30 p.m.
200A Math 5	200B Math 6	215C Bon Voyage 5-8
215A Bon Voyage 5-8	302B Algebra I	211C Pre-Algebra
210A Language Arts 7/8	202B Grammar & Writing 5/6	

Students in morning academics (that end at 12:30) who register for afternoon courses (that begin at 1pm) should bring their lunches to the Lower School Big Room from 12:30 to 1:00 p.m.

**Academic credit is awarded only at the discretion of a student's regular school. Minimum attendance requirements must be met to receive recommendation for credit. Students who are absent are unlikely to receive the session's recommendation for credit. Students seeking academic credit for summer courses *should get approval from their regular school prior to the start of summer classes*. When they are requested, reports will be sent to a student's regular school.
Kinkaid reserves the right to cancel classes due to low enrollment.

200A MATH: CRITICAL REASONING GRADE 5 (8:30 - 9:45 a.m.)

Using both individual and small-group instruction, this course is designed to strengthen basic number skills using a variety of strategies and activities. Individual and small-group instruction will be used. Topics include whole number and fractions computation, number theory, place value, and basic ideas of geometry and measurement. This course is designed to review and extend skills and concepts learned in 5th grade. Instructor: **Asanwa Adedugbe**

302B ALGEBRA I (9:55 – 11:10 a.m.)

This course is for students who want to prepare for Algebra I or refresh their introductory algebra skills. We will introduce/review many of the important concepts from Algebra I. We will explore various concepts such as writing and graphing linear equations, solving systems of equations, factoring, exponents and radicals, functions and relations, simplifying radicals, and solving quadratic equations. Many of the skills taught will be beneficial as students prepare for upper level math courses. This class is designed or those who want to brush up on their algebra skills before taking Algebra II.
Instructor: **Olen Rambow**

202B ENGLISH GRAMMAR AND WRITING WORKSHOP Grades 5/6 (9:55 – 11:10 a.m.)

The foundation for the future in vocabulary skills, grammar, sentence writing, and paragraph construction. Practice formal composition, editing, and proofreading while learning to enjoy writing fluently and creatively.
Instructor: **Tom Peden**

200B MATH: CONCEPTS and SKILLS GRADE 6 (9:55 a.m. - 11:10 a.m.)
Practicing the basics through problem-solving, students will sharpen computational skills while engaging in non-routine activities. In addition to exploring whole numbers, students will examine fractions and decimal computation, concepts of ratio, proportion, percent, integers, and statistics. This course is designed to review and extend skills and concepts learned in 6th grade. Instructor: **Asanwa Adedugbe**

BON VOYAGE: SUMMER READING KNOCKOUT Grades: 5 – 8
215A (8:30 a.m. – 9:45 a.m.)
215C (11:20 a.m. – 12:30 p.m.)
Bon Voyage! Let's take a trip into Summer Reading. Whether you are enjoying the sun and waves in the Caribbean, hiking the trails of an enchanted forest, or perusing the antique shops of a small town, it's time to explore all this excitement this place has to offer. Join me as we read move through summer reading novels while having deep discussions and creating amazing projects that take comprehension to the next level. Instructor: **Coleen Black**

210A LANGUAGE ARTS: READ AND WRITE TO MOVE FORWARD 7/8 (8:30 – 9:45 a.m.)
This LA skills review course aims to strengthen all major reading and writing skills for students entering or leaving 7th - 8th grades. Students will be given guided practice in all previewing, comprehending (word attack, context utilization), and testing skills while reading short, high-interest fiction and non-fiction pieces. Students will keep a journal with a daily (outside-of-class) writing requirement. They will write expository paragraphs twice weekly, with writing on demand a major course goal. Students will develop two creative writing pieces and carry them through the entire writing process. All students will maintain a writing folder. Instructor: **Tom Peden**

211C MATH: PRE-ALGEBRAIC CONCEPTS (11:20 a.m. – 12:20 p.m.)
This course is for the student who wants to review or get a head start in pre-algebra. Topics include operations with rational and irrational numbers, multi-step algebra equations, various percent applications, integer operations, rules of exponents, application of two- and three-dimensional geometry concepts, functions and basic linear equations, and problem solving. This course will include substantial use of word problems and effective strategies to solve them. This course is designed to review and extend skills and concepts learned in Pre-Algebra. Instructor: **Asanwa Adedugbe**

MIDDLE SCHOOL AFTERNOON CAMPS

FOR CHILDREN ENTERING 5TH - 8TH GRADE

Students enrolled in morning academic courses ending at 12:30 p.m. will bring their lunches to the Lower School Big Room from 12:30-1:00 p.m.

LUNCH WITH A MOVIE

Grades 1 - 8

(11:00 a.m. - 1:00 p.m.)

105A WEEK I: JUNE 3 - 7
106B WEEK II: JUNE 10- 14
107C WEEK III: JUNE 17- 21
108D WEEK IV: JUNE 24 -28

If your morning class or camp ends before 12:30 p.m., Lunch with a Movie is a perfect place for you! Lunch with a movie is for students that have a time gap in between their morning class ending at 11:00 a.m. or 11:30 a.m. and their afternoon class starting at 1:00 p.m. Students will be provided a clean, safe, and supervised place to eat their **lunch from home**. At 12:50, students will be escorted to the 1:00 p.m. class in which they are registered. ***Students bring their own lunch.*** **Movies will be rated G or PG.**

Instructor: **Carol Baumgarth** COST: $80 per week

MUSICAL THEATER CAMP (1:00 - 3:45 p.m.) Grades 1 - 8

150A WEEK I & II: JUNE 3 – 14 (two weeks)

Let's put on a show! Musical Theater Camp will give kids a chance to sing, dance, act, and shine in a summer showcase highlighting their talents. Offered one time, the two weeks will be packed with music, movement, storytelling, and friend-making. The session will end with a showcase performance for family and friends that will leave everyone tapping their toes with a song in their hearts. Campers will work together to make their own minimal set and costume pieces to enhance their performance in Kinkaid's Edwards Black Box Theater.

Taught by Kinkaid MS Drama teacher **Katie Long** and US Children's Theatre teacher **Frances Limoncelli**. COST: $470

THE ART OF DEBATE (1:00 - 3:45 p.m.) Grades 5 - 8

230A WEEK I: JUNE 3 - 7
230B WEEK II: JUNE 10 - 14

Do you wish to engage in lively discussion of United States immigration policy? Want to learn the art of persuasion and how to use words to convince judges to listen to you? Do you want to learn how to compete at middle school nationals, sponsored by the National Speech and Debate Association, and potentially high school debate tournaments? If so, this class is meant for you! This course is targeted towards students who are beginners in debate.

Instructor: **Jason Courville** COST: $225

AFTERNOON TOUCH KEYBOARDING Grades: 3 - 8

125A WEEK I : JUNE 3 - JUNE 7 (1:00 - 2:15 p.m.)
126A WEEK I: JUNE 3 - JUNE 7 (2:30 - 3:45 p.m.)

Learn to touch keyboard or simply improve your skills and accuracy in this 5-day class. Accurate keyboarding is faster than handwriting and definitely faster than hunt-and-peck! Based on the alphabet, the system of keyboarding taught offers a simple approach that teaches correct finger placement and builds automaticity. Whether used for writing projects or email, this introductory, easy-to-learn method helps increase accuracy, speed, confidence, and keyboarding success!

Instructor: **Christina Bell** COST: $200 includes materials

MINECRAFT MANIA **(2:30 - 3:45 p.m.)** **Grades 5 - 8**
235A WEEK I: JUNE 3 - 7
236C WEEK III: JUNE 17 - 21

Come join your friends as we explore the world of Minecraft in the safety and solitude of a Kinkaid-hosted server. The worlds will include creative, adventure, free-build, survival, and more. Creativity, cooperation, and communication will be key components of each activity as we explore the amazing world of Minecraft.

Instructor: **Jeff Diedrich** COST: $180

DESIGN YOUR OWN T-SHIRT **(2:30 - 3:45 p.m.)** **Grades 5 - 8**
233B WEEK II: JUNE 10 - JUNE 14

Love clothes? Wouldn't it be cool to design your own logo or brand? You will use Photoshop and Illustrator to bring your creativity to life with heat-transfer vinyl and a vinyl cutter. The process of weeding will be taught before finalizing your t-shirt with our very own commercial heat press. We'll start with single color designs and move to multi-color shirts by the end of the week. Everyone will take home a minimum of three t-shirts.

Instructor: **Jeff Diedrich** COST: $210 includes materials

MAKE YOUR OWN VIDEO GAME **(2:30 - 3:45 p.m.)** **Grades: 5 - 8**
234D WEEK IV: JUNE 24 - 28

Do you love playing video games? Do you want to create one? Join your friends for a week-long introduction to Scratch programming that will give you the skills to create your own video games. Plan, predict, analyze, identify issues, seek solutions, and solve problems as you use blocks of code to build scripts to control characters and backgrounds on the computer. Afterwards, you'll be able to share your game with the world! You don't need any experience with Scratch to enroll in this camp.

Instructor: **Jeff Diedrich** COST: $180

THE ART OF MAKING JEWELRY **Grades 5 - 8**
247A WEEK I: JUNE 3 - 7 (1:00 - 2:15 p.m.)
248A WEEK I: JUNE 3 - 7 (2:30 - 3:45 p.m.)

Do you love wearing jewelry? The apprentice jeweler will be using different mediums like wire, polymer clay, beads, paracord, and old jewelry to make bracelets, necklaces, rings, watches, and key chains. Students will have an amazing time using tools to create outstanding jewelry.

Instructor: **Lauren Quiroga** COST: $200 includes materials

ART OF PRINTMAKING **Grades 5 - 8**
243B WEEK II: JUNE 10 - 14 (1:00 - 2:15 p.m.)
244B WEEK II: JUNE 10 - 14 (2:30 - 3:45 p.m.)

Enter the world of printmaking! Carve blocks, roll ink, make multiples. A variety of techniques will be explored, including monoprints, stamping, and relief. Along with our prints, we will make inventive cards with decorated papers.

Instructor : **Lauren Quiroga** COST: $200 includes materials

EXPLORING FREE FORM ART **Grades 5 - 8**

241C WEEK III: JUNE 17 - 21 (1:00 - 2:15 p.m.)
242C WEEK III: JUNE 17 - 21 (2:30 - 3:45 p.m.)

No rules, rule! Together this week we will be unlearning form and structure and spend time honing your eye for color. Marbling, tie dye, splatter, drip, pour; these are just some of the ways we will create abstract and wearable artwork this week.

Instructor : **Lauren Quiroga** COST: $200 includes materials

THE ART OF HANDMADE BOOKS **Grades 5 - 8**

245D WEEK IV: JUNE 24 -28 (1:00 - 2:15 p.m.)
246D WEEK IV: JUNE 24 -28 (2:30 - 3:45 p.m.)

Fairy tales, comic books, science fiction, nonfiction- whatever story you want to tell, it starts with the blank pages of a book. Students in this class will learn the fundamentals of bookbinding with basic structures: the accordion book, saddle binding, side stich, screw binding, as well as a hardcover binding. After this week, students will be able to create a book in a way that doesn't require lots of specialized bookbinding equipment.

Instructor: **Lauren Quiroga** COST: $200 includes materials

STRING ORCHESTRA- BEGINNER **Grades 3 - 8**

255A WEEK I: JUNE 3 - 7 (1:00 - 2:15 p.m.)
255B WEEK II: JUNE 10 - 14 (1:00 - 2:15 p.m.)

Designed for students with no experience or up to 6 months of experience on their instrument. Beginner string orchestra camp will introduce fundamentals like posture, instrument position, bow hold, learning to read notes, and fingerings on the string. By the end they will be playing songs. Parents can look forward to a performance on the last day of class. Instruments must be provided by the attendee.

Instructor: **Medea Guldedava** COST: $180

STRING ORCHESTRA - INTERMEDIATE **Grades 3 - 8**

256A WEEK I: JUNE 3 - 7 (2:30 - 3:45 p.m.)
256B WEEK II: JUNE 10 - 14 (2:30 - 3:45 p.m.)

Designed for students with experience one year or more playing an instrument. We will learn to play chamber and orchestra music. We will address individual and group playing skills. We will work on playing technique and ensemble. Parents can look forward to a performance on the last day of class.

Instructor: **Medea Guldedava** COST: $180

CALLIGRAPHY **(2:30 p.m. – 3:45 p.m.)** **Grades 5 - 8**

160C WEEK II: JUNE 17 - 21

Come learn the *Art of Calligraphy*. The word calligraphy comes from two Greek words stuck together- kallos, meaning "beauty," and graphein, meaning "to write" — literally "**beautiful writing**."

Students will get an intro to practice and learn the artistic technique with a basic alphabet as well as develop a respect for good penmanship. *(Students who take Calligraphy I will be eligible to take the Stationery Box class, to put their Calligraphy skills to the test.)*

Instructor: **Carol Baumgarth** COST: $180

STATIONERY BOX **(2:30 p.m. - 3:45 p.m.)** **Grades 5 - 8**
161D WEEK IV: JUNE 24 - 28
Create and design your own seasonal stationery while using your Calligraphy Skills that were learned in Calligraphy *(requirement: must have taken Calligraphy)*.
Students will take home their stationery box filled with their creative stationery designs.
Instructor: **Carol Baumgarth** COST: $180

EXPLORING ARCHITECTURE **Grades 5 – 8**
260A WEEK I: JUNE 3 – 7 (1:00 – 2:15 p.m.)
261A WEEK I: JUNE 3 – 7 (2:30 – 3:45 p.m.)
263B WEEK II: JUNE 10 – 14 (1:00 – 2:15 p.m.)
264B WEEK II: JUNE 10 – 14 (2:30 – 3:45 p.m.)
Do you like looking at buildings? Do you wonder why the architect made certain decisions? Do you want to design and create your own structures? In this camp, we will explore groundbreaking designs from around the globe, learn about the fundamentals of architecture, and design our own structures. Each day of the camp will include lessons on architecture fundamentals and the current trends in architecture followed by a design/build challenge. Participants will use a variety of materials including common model-making materials, found objects, and Legos to design and create their structures. We will wrap up each day with a design showcase where students present their work from concept to creation. If you're a budding architect or simply enjoy designing and building models, then this course is for you!
Instructor: **David Berthold** COST: $225 includes materials

CREATIVE WRITING **Grades 5 – 8**
265A WEEK I: JUNE 3 – 7 (1:00 – 2:15 p.m.)
266A WEEK I: JUNE 3 – 7 (2:30 – 3:45 p.m.)
Do you love to meditate on an idea, dream up characters, and spin plot-twisting narratives? If so, this one-week course will be a fun foray into the world of creative writing. We'll spend time reading, dissecting, and emulating short pieces of fiction, memoir, and poetry. Students will leave this one-week workshop with at least two original works and many writing tips and exercises to get the creative juices flowing.
Instructor: **Liz Hankins** COST: $180

CREATE YOUR OWN CHILDREN'S BOOK **Grades 5 – 8**
267B WEEK II: JUNE 10 – 14 (1:00 – 2:15 p.m.)
268B WEEK II: JUNE 10 – 14 (2:30 – 3:45 p.m.)
Do you secretly wish you had story time still in school? Do you miss your favorite picture books as a kid? This one-week course will allow you to take a walk down memory lane and revisit some of those beloved characters and memorable stories for children. We will not only research the qualities of a spell-binding children's book, but we will also write and "publish" our own beautiful stories for children using old-fashioned book-making techniques.
Instructor: **Liz Hankins** COST: $180

WAR: WHAT IS IT GOOD FOR? **Grades 5 – 8**

269C WEEK III: JUNE 17 – 21 (1:00 – 2:15 p.m.)

270C WEEK III: JUNE 17 – 21 (2:30 – 3:45 p.m.)

When, if *ever*, is violence justified? How have wars shaped the course of history? These are some of the questions we will ask as we research the causes, experiences, and aftermath of five major wars in American History, including the Revolutionary War, the Civil War, World Wars I & II, and the Cold War. Calling all history buffs! You won't want to miss this course if you love to learn about American history.

Instructor: **Liz Hankins** COST: $180

INTRODUCTION TO CIVICS **Grades 5 – 8**

271D WEEK IV: JUNE 24 – 28 (1:00 – 2:15 p.m.)

272D WEEK IV: JUNE 24 – 28 (2:30 – 3:45 p.m.)

We are one year away from another major election. Have you ever wondered how our government works—both in the city of Houston, the state of Texas, and the United States federal government? What powers does a president really have? How are laws made? Why is the constitution so important? What are "civic duties and responsibilities"? If you've ever been confused about any of these questions, then this one-week course is for you.

Instructor: **Liz Hankins** COST: $180

UPPER SCHOOL ACADEMICS

FOUR-WEEK MORNING ACADEMIC PROGRAM

JUNE 3rd - JUNE 28th **Cost: $430 Per Course**

FOR STUDENTS ENTERING 9TH THROUGH 10TH GRADES

8:30 a.m. - 9:45 a.m.	9:55 a.m. - 11:10 a.m.	11:20 a.m.-12:30 p.m.
305A Geometry	302B Algebra I	304C Composition 9/10
	310B Summer Reading/ HS	

Students attending first & third period classes only must be picked up after the end of their first class and returned for their third period class. Students in morning academics who register for afternoon courses should bring their lunches to the Lower School Big Room from 12:30 to 1:00 p.m.
Academic credit is awarded only at the discretion of a student's regular school. Minimum attendance requirements must be met to receive recommendation for credit. Students who are absent are unlikely to receive the session's recommendation for credit. Students seeking academic credit for summer courses should get approval from their regular school prior to the start of summer classes. When they are requested, reports will be sent to a student's regular school. ***Kinkaid reserves the right to cancel classes due to low enrollment.*

9TH-10TH GRADE PROGRAM DESCRIPTIONS:

302B ALGEBRA I (9:55 a.m. - 11:10 a.m.)

This course is for students who want to prepare for Algebra I or refresh their introductory algebra skills. We will introduce/review many of the important concepts from Algebra I. We will explore various concepts such as writing and graphing linear equations, solving systems of equations, factoring, exponents and radicals, functions and relations, simplifying radicals, and solving quadratic equations. Many of the skills taught will be beneficial as students prepare for upper level math courses. This class is designed for students entering Algebra I or those who want to brush up on their algebra skills before taking Algebra II.
Instructor: **Olen Rambow**

305A GEOMETRY (8:30 a.m. – 9:45 a.m.)

Geometry presents a unique set of mathematical challenges to students. This course is great for those who want to get a head start on Geometry or review concepts from previous Geometry courses. This course will cover important geometry concepts such as logical reasoning & proofs, properties of angles, triangles, polygons, solids, and circles. Interspersed throughout the course will be skills from Algebra I such as solving equations & systems and solving word problems. This class would be great for students taking Geometry the following year or students who want to gain a better understanding of Geometry to enable better performance in future math courses.
Instructor: **Olen Rambow**

304C COMPOSITION Grades 9 - 10 (11:20 a.m. – 12:30 p.m.)

Students will receive instruction on how to improve their writing. Each week students will use the workshop process to compose a paper in a different genre. Students will learn strategies that will help them become better writers. Writing about required reading will be included for high school and beyond.

Instructor: **Tom Peden**

310B HIGH SCHOOL SUMMER READING & STUDY SKILLS (9:55 a.m. – 11:10 a.m.)

This course is designed to help students get ready for their upcoming year in high school. Time will be dedicated during class to work on summer reading and summer reading assignments with help and assistance along the way. Students will practice some of the skills most needed for success in high school, including reading and research skills, projects and time management, thinking and evaluation, and how to best prepare for and succeed on tests. Students will learn about forms of motivation, the ways they learn and study best, as well as strategies to manage and relieve stress. Research and study skill activities will include topics in current events, pop culture, and other areas of interest tailored to students in the class.

Instructor: **Coleen Black**

SUMMER SCHOOL ATHLETICS

FOR CHILDREN AGES 6 and OLDER / ENTERING 1ST - 8TH GRADE
Students will be separated into smaller age-appropriate groups within each camp depending upon enrollment.
****Camp placements are final****

KINKAID BOYS BASEBALL & GAMES CAMP **Ages: 6 - 14 / Boys**
403S SESSION I: MAY 28 - MAY 31 **(8:30 - 11:30 a.m.)**

Kinkaid baseball coach, **Steve Maas**, will conduct a baseball camp on pitching and catching, defensive fundamentals, and proper hitting mechanics. Each player will be filmed and compared side by side with some of the best players in the game. Additionally, we will take a break and play some of our favorite PE games and a water fight on the last day. Come join us at Sanders Field on the Kinkaid campus for quality instruction and a fun experience.
For questions contact: **steve.maas@kinkaid.org** COST: $285

KINKAID SOFTBALL CAMP **(8:30 - 11:30 a.m.)** **Ages 6 - 14 / Girls**
441S SESSION I: MAY 28 - MAY 31

Kinkaid Softball Coach, Haley Outon, is hosting a 4-day Softball Camp that is designed for all levels of softball players from beginner to advanced. This camp is an opportunity for all students to develop their softball skills. We will focus daily on throwing and catching, defensive fundamentals and proper hitting technique. Additionally, we will take a break and play some of our favorite PE games and enjoy some water balloon competitions and slip-n-slide fun on the last day. Come join us at Perusquia Field on the Kinkaid campus for quality instruction and a fun experience.
For questions contact: **haley.outon@kinkaid.org** COST: $285

KINKAID FOOTBALL CAMP **Ages: 7 - 14 / Boys**
406S SESSION I: MAY 28 - MAY 31 **(8:30 - 11:30 a.m.)**

Kinkaid's Head Football Coach, **Nathan Larned**, is hosting a 4-day-long camp for all skill levels. Experienced and beginners alike will benefit from this camp that will focus on the core fundamentals and necessary skills to become a sound football player. Throwing and catching mechanics, blocking and tackling techniques, speed and agility drills, as well as position-specific training will all be covered. This will be a NON-PADDED camp. Get a head start on the 2017 season by learning drills that you will be able to use on your own and with friends to stay sharp throughout the summer break!
For questions contact: **nathan.larned@kinkaid.org**
(Bring cleats, running shoes, shorts, t-shirt and sun screen) COST: $285

VOLLEYBALL CAMP **(1:00 - 3:45 p.m.)** **Ages: 10 - 14 / Boys & Girls**
410A SESSION I: MAY 28 - MAY 31 **Grades 5 - 8**

This Middle School volleyball camp is an opportunity for all students to develop their volleyball skills. Campers should come prepared for a fun four days of skill development and exciting competition.
If either session has less than 10 campers, it will be canceled*
For questions contact: **kelly.stumph@kinkaid.org** COST: $285

KINKAID BOYS BASEBALL & GAMES CAMP **Ages: 6 - 14 / BOYS**

403A WEEK I: JUNE 3 - 7 (8:30 - 11:30 a.m.)

Kinkaid baseball coach, **Steve Maas**, will conduct a baseball camp on pitching and catching, defensive fundamentals, and proper hitting mechanics. Each player will be filmed and compared side by side with some of the best players in the game. Additionally, we will take a break and play some of our favorite PE games and a water fight on the last day. Come join us at Sanders Field on the Kinkaid campus for quality instruction and a fun experience.

For questions contact: **steve.maas@kinkaid.org** COST: $285

MIDDLE SCHOOL VOLLEYBALL TRAINING SESSIONS Ages: 8 - 14 Boys & Girls

414A SESSION I: JUNE 3 & 5
414B SESSION II: JUNE 10 & 12
414C SESSION III: JUNE 17 & 19
414D SESSION IV: JUNE 24 & 26
414F ALL SESSIONS: JUNE 3, 5, 10, 12, 17, 19, 24, 26

These two-day training sessions give students an opportunity to play volleyball during the month of June, similar to a summer league or weekly practices. Students will come in for skill development as well as competition, and sport-specific training including: jumping, landing, arm-swing safety, and much more.

Mondays & Wednesdays only at 4:00-5:00p.m.

Instructor: **kelly.stumph@kinkaid.org**

COST: $100 for one 2-day session/ $375 all 8 days

A.M. CAMP FALCON (8:30 - 11:30 a.m.) Ages: 6 -13 / Boys & Girls

400A SESSION I: JUNE 3 - 7
400B SESSION II: JUNE 10 - 14
400C SESSION III: JUNE 17- 21
400D SESSION IV: JUNE 24 - 28
400E ALL SESSIONS: FOUR WEEKS

Camp Falcon has a multitude of activities planned to fill your summer days with fun. Here is your chance to try that sport you have always wanted to play and experience Kinkaid's multi-million dollar gymnasium. In fact, you can try a dozen sports, including capture the flag, kickball, Boomerball, floor hockey, soccer, basketball, pillow-polo, ultimate frisbee, and flag football. Under the direction of **Bobby Eggleston & Curt Brooks** along with other qualified Kinkaid coaches, the campers will be guided in innovative and creative drills designed to enhance both skills and understanding of the various sports. Emphasis will be on fun and the overall confidence and well-being of the camper. No athletic experience is necessary.

For questions contact: **bobby.eggleston@kinkaid.org**

COST: $285 per week / $975 all four weeks

No refunds if not attending all 4 weeks

GIRLS JUST WANT TO HAVE FUN! (8:30 - 11:30 a.m.) Ages: 6 - 12 / GIRLS

407A SESSION I: JUNE 3 - 7
407B SESSION II: JUNE 10 - 14
407C SESSION III: JUNE 17 - 21
407D SESSION IV: JUNE 24 - 28
407E ALL SESSIONS: FOUR WEEKS

Girls Only!!!!! We will play Boomer Ball, Star Wars, Paintball, Snowball Alley and many more fun indoor games including hoops and scooters. This 5-day camp will build confidence and friendships while developing athletic skills and basic knowledge of strategies and tactics involved in team games while having fun. We will also make a craft each day, involving paint, jewelry making, weaving, and SLIME! The perfect balance of physical activities and crafty fun! Who says girls can't do it all?
For questions contact: **melissa.eggleston@kinkaid.org**

COST: $285 per week / $975 all four weeks

No refunds if not attending all 4 weeks

KINKAID STRENGTH AND CONDITIONING CAMP Grades 6 - 8 Boys & Girls

450A WEEK I: JUNE 3 – 7 (1:00 - 2:15 p.m.)
450B WEEK I: JUNE 3 - 7 (2:30 - 3:45 p.m.)

451A WEEK II: JUNE 10 – 14 (1:00 - 2:15 p.m.)
451B WEEK II: JUNE 10 - 14 (2:30 - 3:45 p.m.)

452A WEEK III: JUNE 17 – 21 (1:00 - 2:15 p.m.)
452B WEEK III: JUNE 17 - 21 (2:30 - 3:45 p.m.)

453A WEEK IV: JUNE 24 – 28 (1:00 - 2:15 p.m.)
453B WEEK IV: JUNE 24 - 28 (2:30 - 3:45 p.m.)

Kinkaid's Strength and Conditioning Coaches, **Everett Coleman & Phil Mosley**, will conduct a summer strength training and speed camp. Coach Coleman is a former NFL, NBA, and collegiate strength and conditioning coach. Topics covered will include but not be limited to: movement preparation, strength training, speed training, recovery, hydration, and nutrition. Athletes will utilize the keys to take their athletic performance to the next level. Each camper will receive a comprehensive summer strength and conditioning plan. Daily training sessions will end with fun and games. (Bring cleats and running shoes)

The time will come when winter will ask you what you were doing all summer. - Henry Clay

For questions: **everett.coleman@kinkaid.org** Cost $285 (Minimum 10 athletes)

FALCON BOOT CAMP (8:30 - 11:30 a.m.) Ages: 7-14 / Boys & Girls
408A WEEK I : JUNE 3 - 7
408B WEEK II: JUNE 10 - 14

Falcon Boot Camp is back and more exciting than ever! Like last year, this summer pro gram will challenge kids with FUN and creative kid-friendly, boot camp style "missions." Kinkaid's Head Football Coach, Nathan Larned, will challenge the participants each day with mentally and physically challenging missions. Every mission will incorporate Speed & Agility, Core Stability, Conditioning, Flexibility, Leadership Development, and possibly some WATER BALLOONS. Missions include Capture the Flag, Scavenger Hunts, Grenade Launching (w/ water balloons), King of the Hill, Secret Service, and many, many, more. Additionally, kids will have daily post-workout discussions (over popsicles!) that will emphasize leadership development. Kids will get to experience the best indoor and outdoor facilities in the area here at Kinkaid and are encouraged to participate in as many sessions as their schedule will allow in order to maximize their experience. Kids will have a BLAST in this unique program and are going to become better athletes and leaders in the process.
BRING YOUR WATER GUNS!! THE BIGGER, THE BETTER!!
For questions contact: **nathan.larned@kinkaid.org** COST: $285 per week

FALCON SPORTS AND GAMES CAMP

(1:00 – 3:45 p.m.)
Ages 6 - 14 / Boys & Girls

430A WEEK I: JUNE 3 - 7
430B WEEK II: JUNE 10 - 14

Falcon Sports & Games Camp is the newest and most exciting camp for Kinkaid Summer School! Our mission is to provide our campers with sport-specific instruction, lessons on sportsmanship and teamwork, and a fun environment full of various competitions. Competitions include but are not limited to... Kickball, speed-a-way, wiffle ball, capture the flag, boomer ball, handball, dodgeball, and many more of the best activities that Kinkaid students experience in our PE classes. The majority of the camp will be held inside Kinkaid gymnasiums with a few activities taking place outside on our outstanding turf fields or in the Backyard.

KINKAID TENNIS CAMP

(8:30 - 11:30 a.m.) **Ages: 6 - 14**
Boys & Girls

440D WEEK IV : JUNE 24 - 28

The Kinkaid Tennis Camp is designed for ages 6-14 and all levels from beginner to advanced. We will push your child to work hard and develop their skills to reach the next level of tennis. We will focus daily on groundstrokes, volleys, serves, and match play. We will teach the kids about fair play, sportsmanship, and respecting the game. The camp will be run by our Kinkaid Tennis Staff, so don't miss this opportunity to learn from our very best!

For questions contact: **brian.mandell@kinkaid.org** COST: $285

YOUTH YOGA CAMP

Girls & Boys

460D WEEK IV: JUNE 24 – 28 Ages 10 -14 (1:00 – 2:15 p.m.)

461D WEEK IV: JUNE 24 – 28 Ages 6 – 9 (2:30 – 3:45 p.m.)

In this camp, you will learn various yoga techniques at a basic to intermediate level. We will explore individual yoga poses and techniques one at a time. This will help build confidence, strength, and flexibility while honoring the structural alignment of our anatomy. While learning these fundamental yoga foundations we will also enjoy exploring fun and creative yoga flows and games, partner work, and breathing techniques. After completing this summer course, the participants will have a better awareness of the movement of yoga, nutrition, and our overall well-being. No experience required!

For questions: **jennifer.arenkiel@kinkaid.org** Cost $150

FALCON *MIDDLE* SCHOOL FOOTBALL CAMP **Ages: 10 - 14 / Boys**

435Z	**SESSION I:**	**FRIDAY, AUGUST 9th**	**6:00 p.m. - 7:30 p.m.**
		SATURDAY, AUGUST 10th	**6:00 p.m. - 7:30 p.m.**
		SUNDAY, AUGUST 11th	**6:00 p.m. - 7:30 p.m.**

Kinkaid Middle School Football Camp offers incoming 5th, 6th, 7th, and 8th grade football players the ultimate preparation for two-a-days or a fun Football League. Kinkaid's Head Football Coach, **Nathan Larned**, will be joined by other Kinkaid coaches and Varsity Football players to create a fun environment while providing expert instruction. The first half of each session will be dedicated to individual skill work, position-specific instructions, and team concepts. Campers will then be split into teams and participate in a 7-on-7 style game called "Ultimate Football." Be ready to work hard, be coachable, and have a lot of FUN!

For questions contact: **nathan.larned@kinkaid.org** COST: $185
