

Kinkaid
Engineering, Math & Science Summer Institute
Math Teacher Recommendation

Please complete this form and mail or email it by February 23, 2022.

Name of Student _____

Instructor's Name _____ Math Course _____

★Teacher: At EMSI, most of our courses are project-based or focused on group problem solving. Please comment below on how you feel, from your experience, that this student will handle the peer-to-peer interaction and our creative learning environment. ★

Please **honestly** mark the box that best exemplifies this student's performance in each of these areas in your class this year.

	Consistently	Usually	Sometimes	Seldom
Listens and follows teacher's directions				
Demonstrates ability to work independently				
Perseveres in spite of difficulty				
Works cooperatively				
Enjoys new challenges				
Is self-motivated				
Is intellectually curious				
Is prepared for class				
Establishes friends easily				
Respects others				
Displays leadership potential				

Overall Recommendation

____ Highly Recommend ____ Recommend ____ Recommend with Reservations ____ Do Not Recommend

Signature of Teacher: _____
